Mr. Zead Ramadan
5900 Arlington Avenue #22V
Riverdale, NY 10471

Dear Mr. Ramadan:

Thank you for your recent contribution of \$200 to Ellison for Congress. We greatly appreciate your support.

Under the Federal contribution limits, a person may contribute \$2,400 per election to a Federal candidate. The primary and general elections are separate elections, with separate limits. Therefore, an individual could potentially contribute \$2,400 to the primary election and \$2,400 to the general election, for a total contribution of \$4,800.

Your generous contribution of \$2,500 has been designated:

\$2,400 for the 2010 primary election (prior contributions)
\$200 for the 2010 general election
\$ 0 to be Refunded

If you do not want the amount over \$2,400 for the primary election redesignated for the general election, you may request a refund from the Committee.

The Committee is required to send this notification to you, but no response on your part is necessary. If you have any questions regarding the designation of your contribution, please contact us at 612-522-4416.

Once again, thank you for your support.

Sincerely,

Compliance Department
